

You're invited to our Mount Lofty Residential Development Information Day

SATURDAY 25 MARCH

As part of Defence Housing Australia's (DHA) community engagement process, we are pleased to invite you to a community information day with the DHA masterplanning project team.

Date: Saturday 25 March 2017
Time: Any time between 10am and 1pm
Where: Brick building at the former Mount Lofty Rifle Range, Martini Street, Mount Lofty

Please drop in and chat to the project team to share your views on the masterplan. Hear from the project team about DHA's role as a developer, the masterplanning process and timeline towards an eventual development application with Toowoomba Regional Council.

Visit the website, call or email

If you or your neighbours would like to meet or talk with us before the community information day, please feel free to contact our community engagement consultants, CPR Group, at the following contact points.

Phone: 1800 100 204
Website: mountloftytoowoomba.com.au
Email: projects@cprgroup.com.au

Stay informed

This is the fourth of our regular updates. You can register for these to be posted or emailed to you. Please visit the website, call or email us with your contact details. You will then be kept informed throughout the masterplanning process and your feedback is welcome at any time.

Please find enclosed our project contact flyer.

Project team members will continue to visit the site during coming weeks.

The masterplanning timeline

The masterplanning process will continue during 2017. Below is an indicative timeline.

Thank you to Mount Lofty residents with whom we have met over the past few weeks. Thank you also to those who have called us and emailed us with contributions and suggestions. Your feedback is appreciated and has been reported to the independent consultants who are on the project team.

We welcome your contributions to the Mount Lofty masterplan and look forward to seeing you at our community information day. Please feel free to get in touch and let us know if you would like to meet. Thank you for your interest.

Yours sincerely

Rob Winters
